[WHEREAS, pursuant to the provisions of section 766 of the *Municipal Act*, the Capital Regional District was incorporated

by Letters Patent issued on the 1st day of February 1966:

And whereas, pursuant to the provisions of section 29A of the *Municipal Act*, it has been deemed to be desirable and in the public interest that the Brentwood Waterworks District, the Deep Cove Waterworks District, and the Sidney Waterworks District, being improvement districts incorporated under the *Water Act*, be dissolved and all of the assets, rights, claims, obligations, liabilities, contracts, agreements, and by-laws of the said Brentwood Waterworks District be transferred to The Corporation of the District of Central Saanich, and further that all of the assets, rights, claims, obligations, liabilities, contracts, agreements, and by-laws of the said Deep Cove Waterworks District be transferred to the District of North Saanich, and further that all of the assets, rights, claims, obligations, liabilities, contracts, agreements, and by-laws of

And whereas it is deemed to be desirable and expedient that the Capital Regional District be granted the function of water supply for the area comprised of the lands within the boundaries of The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney:

Now know ye that, by these presents, We do order and proclaim that the following be added to the objects, powers, obligations, duties, limitations, and conditions of the Capital Regional District:

*"Division XVII—Water Supply

"1. Only the member municipalities of The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney participate in this function and share in the cost thereof:

"2. The regional district is empowered to purchase water and to acquire, design, construct, reconstruct, purchase, maintain, and operate facilities and to acquire all such real property, easements, rights-of-way, licences, rights, or authorities for the purpose of supplying water to The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney for distribution by those municipalities in conformity with the planning policies contained in the Official Community Plans, and Official Regional Plans adopted under the provisions of the *Municipal Act*.

"3. The regional district is empowered by by-law to fix rates and charges for the supply of water to The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney for distribution only within municipal boundaries, except with the consent of the Regional Board, and the provisions of section 568 of the *Municipal Act*, *mutatis mutandis*, apply to the regional district.

"4. For the purpose of this function all assets, rights, claims, obligations, liabilities, contracts, and agreements of the participating member municipalities with respect to water supply only, including those formerly held by the Brentwood Waterworks District, the Deep Cove Waterworks District, and the Sidney Waterworks District are hereby transferred to the regional district in trust for the use and enjoyment of and fulfilment by the participating member municipalities; provided, however, that the transfer of real property together with any improvements thereon or therein may at the discretion of the municipality be by lease to the regional district for water supply purposes. Any initial lease entered into in accordance with the provisions of this paragraph shall be at a nominal rental of \$1 (one dollar) per annum and the term shall not exceed 10 years and it shall be renewable upon such terms agreeable to the owner municipality and the regional district; provided, however, in the event of a dispute between the two parties relative to the renewal of the lease, any issue in dispute shall be referred to the Comptroller of Water Rights, whose decision shall be binding upon both parties.

"5. For the purpose of this function, by-laws of the participating member municipalities, including those of the former Brentwood Waterworks District, the Deep Cove Waterworks District, and the Sidney Waterworks District shall be deemed to be by-laws of the regional district where

such by-laws or parts thereof relate to water supply, and the said by-laws or applicable parts thereof, as the case may be, shall be administered by the regional district and be amended or repealed by the Regional Board on the advice of the Saanich Peninsula Water Commission herein provided for.

"6. For the year 1977 only, that part of the annual budget of the regional district which includes provision for the function granted by this Division shall, before coming into force and effect, be approved by the Inspector of Municipalities.

"7. The annual net cost attributable to the function granted by this Division, including any annual debt charges, shall be apportioned among the member municipalities liable to share such costs on the basis of 50 per cent by census population and 50 per cent by net taxable value of land and improvements for school purposes, except those properties taxable for school purposes only by special Act.

"8. For the purposes of subsection (7) of section 786 of the *Municipal Act*, the Inspector of Municipalities may establish the amount of debt that may be incurred for this function.

"9. There is hereby established a Saanich Peninsula Water Commission which shall consist of 11 members as follows:

(1) (a) Three members, one each appointed annually from and by the Council, of The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney respectively;

(c) those members of the Council of The Corporation of the District of Central Saanich, the District of North Saanich, and the Town of Sidney who are Directors of the Regional Board of the Capital Regional District;

(d) two members appointed annually by the Regional Board of the Capital Regional District, each of whom shall be a resident of one of the participating municipalities but a person other than a member of the Board or of the Councils of The Corporation of the District of Central Saanich, the District of North Saanich, or the Town of Sidney;

(2) The Saanich Peninsula Water Commission shall, at its first meeting in each year, appoint a Chairman and a Vice-Chairman from and by the members thereof to hold office for that year or until a successor is appointed;

(3) Should a member of the Commission appointed under subparagraph (1) (b) hereof resign, or for some other reason vacate or cease to hold office, the Minister of Municipal Affairs and Housing shall appoint a successor; provided,

however, that this provision shall cease to operate beyond the year 1979.

"10. It shall be the duty of the Saanich Peninsula Water Commission to

(1) advise the Regional Board on water supply matters on its own initiative or where such matters are referred to it by the Regional Board or the Council of a participating member municipality;

(2) act as liaison between the Regional Board and the member municipalities.

"11. The Regional Board may, by by-law, delegate such administrative powers to the Saanich Peninsula Water Commission as may be deemed expedient.

"12. All matters concerned with the function of water supply granted by this Division requiring legislative action by the Regional Board shall be referred to the Saanich Peninsula Water Commission at least 30 days before being acted upon by the Regional Board.

"13. The Regional Board shall appoint a Secretary who shall be responsible for the preparation, maintenance, and safe preservation of the minute books and other records of the transactions and other business of the Commission.

"14. The minutes and reports of the Saanich Peninsula Water Commission shall be submitted to the Regional Board and to the participating member municipalities."

And that the Letters Patent of the Capital Regional District be deemed to be amended so as to conform to the premises as and from the date of these supplementary Letters Patent.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.
